An important note about this lesson,

# JESUS IS CRUCIFIED

Dear Teachers,

This lesson includes the plan of salvation, in the discussion portion. I strongly encourage you to pray and prepare your heart to share the gospel with your students (and potentially their families). If someone wants to know more about the gospel, I encourage you to do this one on one, and not just repeating a prayer after you. Take the time to sit down and ask them questions and find out more about what they understand. Give them time to think and pray about what they have learned. When they are ready and truly want to move forward in accepting Christ, help walk them through the prayer. Often times, children just want to please us and may not truly understand the gospel, which can lead to confusion later in life. Please reach out to me if you need any help in this area.

Please reach out to me if you have any questions, comments or feedback,

Blessings,

Becky

## *Mini Lesson Plan*

# JESUS IS ALIVE!

### OBJECTIVE

Students will learn the story, Jesus is Alive, from the Gospel accounts in Matthew 28, Mark 16 Luke 24, and John 21, and be able to answer discussion questions from the lesson. This lesson tells of how Jesus visited with His disciples after He rose from the dead, their understanding of why He had to die, The Great Commission, and His ascension back to heaven.

### MATERIALS

- Bible
- Printed Teacher Book
- Printed copies of the mini book for students (prepare these ahead of time by cutting the page into 4 pages and stapling the book together)
- Crayons/Pencils

### TEACHING TIME (5 minutes)

Ask students to join you as you open your Bible to the New Testament. Explain to students that the story you are going to share with them comes right from God's Word and picks up where you left off, after Jesus had been crucified. (You may want to briefly review that lesson.)

Show students the cover page of the Teacher Book. Ask them to tell you what they see on that picture. Allow them to talk about the scars on Jesus' hands.  
Tell the students to listen as you read the story.

### ACTIVITY (5 minutes)

Send students to their seats and distribute copies of their mini book. Direct students to write their name and color the pictures. When students are finished, move on to the discussion questions. Start by explaining to students that sin is all the bad things we do and think.

## JESUS IS ALIVE!

### DISCUSSION (5-10 minutes)

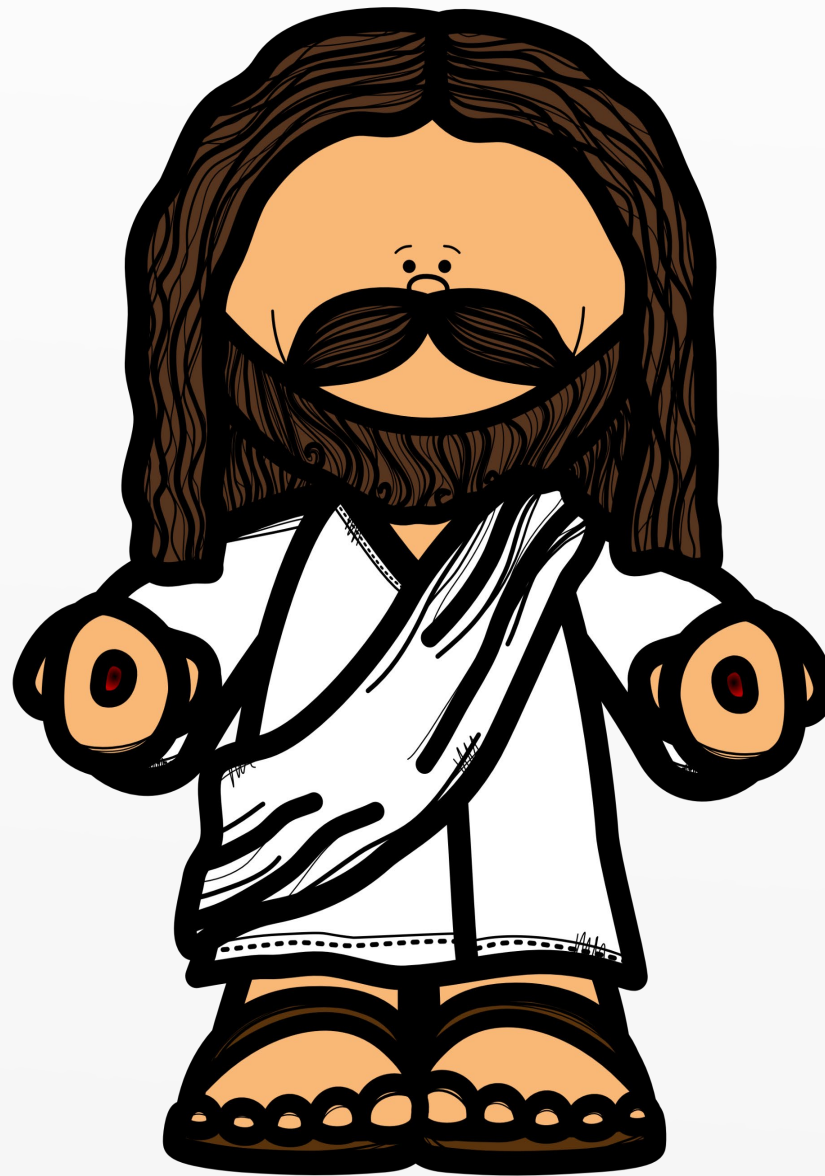

1. Where were the disciples gathered together and why were they afraid? (The disciples were gathered together in the same place where they had celebrated the Passover meal with Jesus, just a few days before. They were scared that the people who had crucified Jesus would try to kill them, too.)
2. Who showed up in the room where the disciples were? What did they think it was? (Jesus appeared in the room, but they thought it was a ghost.)
3. Jesus gave the disciples a new command, called the Great Commission. What was it? (They were told to go into all the world and share the good news with everyone. Extend – ask – What was the good news Jesus wanted the disciples to share? (Jesus wanted the disciples to share the good news that He had died to pay the price for sin. He rose again, defeated death, and offers eternal life to anyone who believes in him.)
4. What happened to Jesus while He was blessing the disciples? (Jesus was carried up to heaven.)
5. What did the disciples do and how did they feel after Jesus went back into heaven? (They all worshipped him and were excited to share the good news of Jesus with the world.)

Extend the discussion – Teachers, these questions may be harder concepts to grasp. *Take time to go over this and answer questions your students may have.*

1. Why did Jesus have to die for our sins? (Sin entered the world way back in the garden of Eden with Adam and Eve. Sin means we became separated from God, because He is holy and can't be around sin. The punishment for sin is death. God loves us and made a plan to rescue us, so that we could be free from death. He sent Jesus to take that punishment for us and to be our sacrifice. Jesus died in our place. He took death upon himself and separated himself from His father, so that we don't have to be separated from God.)
2. What does it mean when we say Jesus defeated death? (Jesus died on the cross, but He didn't stay dead. When He rose again, He defeated death. That meant that death could not keep him in the grave.)
3. Why is it important that Jesus rose again on the third day? (It was important that Jesus would rise again on the third day because the Bible pointed to a Savior who would take our punishment for sin, but that He would also rise again from the dead. If He had stayed dead, there would be no hope. He would just be another man who died. But, since He rose again from the dead, that meant He was truly God.)
4. What is eternal life and how can we earn it? (Eternal life is life that never ends. It is a gift that Jesus offers to those who believe in him. There is nothing we could ever do to earn eternal life. But, Jesus will give it to us if ask him. Here's how (have your Bibles marked to these verse. Use the paraphrase below, if needed) -  
A – ADMIT to God that you are a sinner and ask him to forgive you from your sins.  
(Romans 3:23 - All have sinned; Romans 6:23 - The price of sin is death. But God gives the gift of eternal life through Jesus.)  
B – BELIEVE that Jesus is the Son of God who died take your punishment for sin.  
(John 3:16 - God loves us so much that He sent His only son, Jesus. Whoever believes in him will live forever.)  
C – CHOOSE to live your life for Jesus – obey His commands and love him with all your heart.  
(Mark 12:30 – Love the Lord your God with all your heart, soul, mind and strength.)

The disciples were gathered together in the same place where they had celebrated the Passover meal with Jesus, just a few days before. They were scared that the people who had crucified Jesus would try to kill them, too.

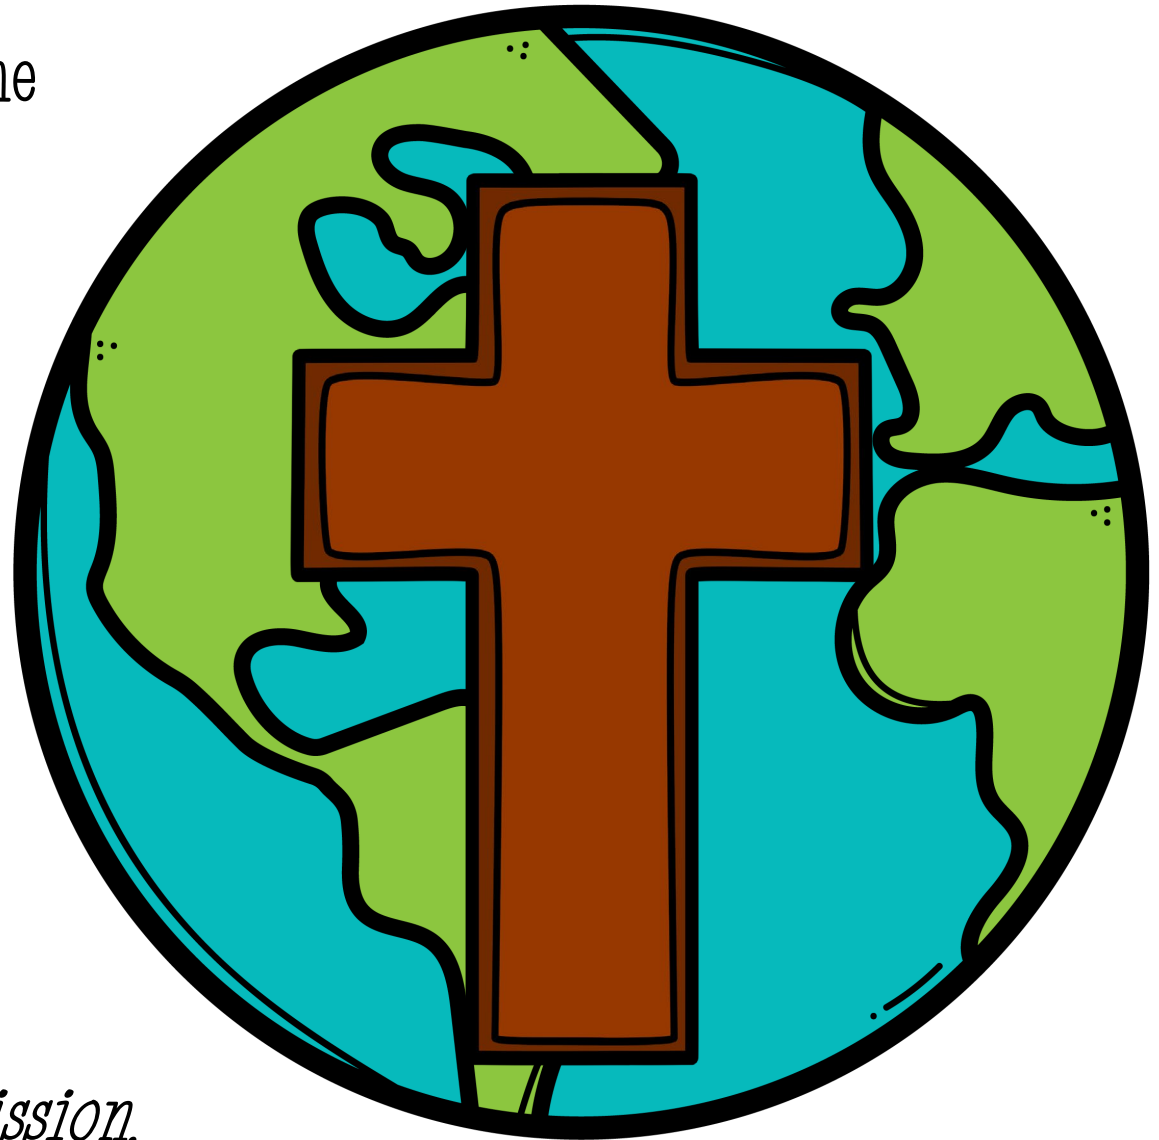

Suddenly, someone appeared in the room with them. They were scared and thought it was a ghost! The man said, "Don't be afraid. Look at the scars on my hands and my feet. Touch me and see that I am real." The disciples realized this was their friend. Jesus really was alive!

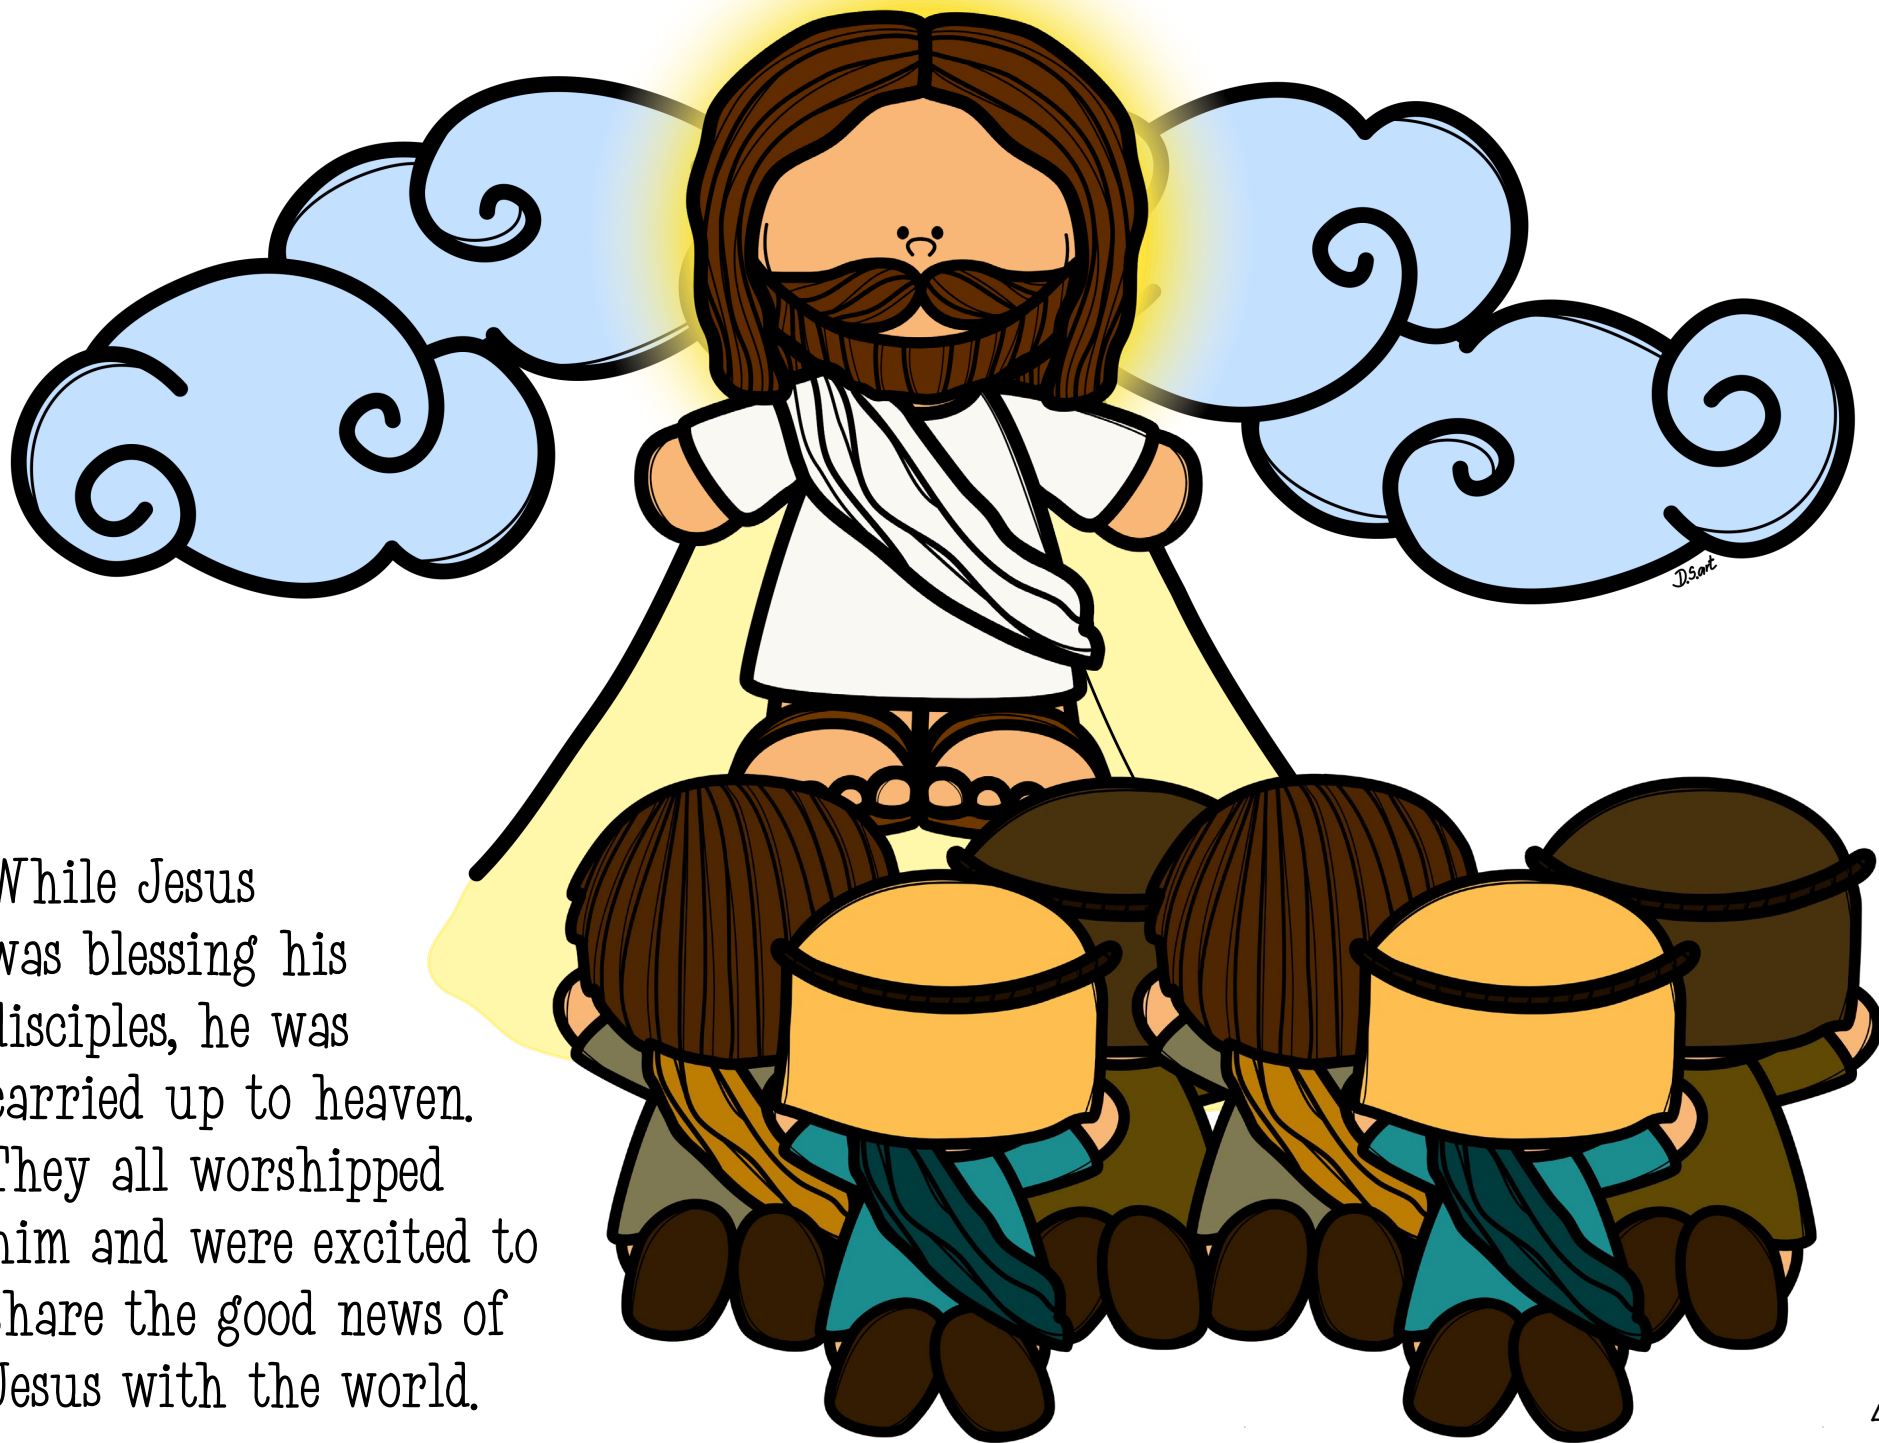

The disciples finally understood that Jesus was the true Messiah! He had suffered on the cross so that all sins could be forgiven. Jesus had defeated death and could now offer eternal life to anyone who believed in him.

Jesus told his disciples that their job, from now on, was to go into all the world and share this good news with everyone. This command is called, *The Great Commission*.

While Jesus was blessing his disciples, he was carried up to heaven. They all worshipped him and were excited to share the good news of Jesus with the world.
