BIBLE STORY MINI-LESSON

THE TOWER OF BABEL

This resource is Biblically sound and created with great care to share God's word with young learners.
It includes

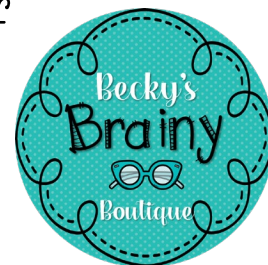

- A Mini-Lesson Plan to follow
- Full size (color and B/W) for teachers as you highlight the story with your class.
- Mini Books for you to print for your students.

Instructions

- Print the teacher book on cardstock and laminate for durability. (If using the B/W option, take some time to color it.)
- Print, cut and staple the student books on regular paper.
- I strongly recommend that you open up your Bible while you share this book with your students, so they understand that the whole story comes from the Bible.
- Later, your students can color these mini books and take them home to share with their family. Encourage the parents of your students to read these together and allow their child to share what they learned that week.

Happy Teaching!

THE TOWER OF BABEL

GENESIS 11

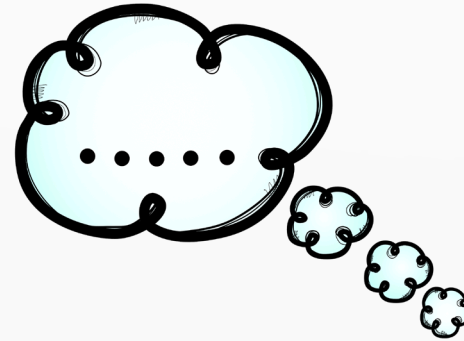

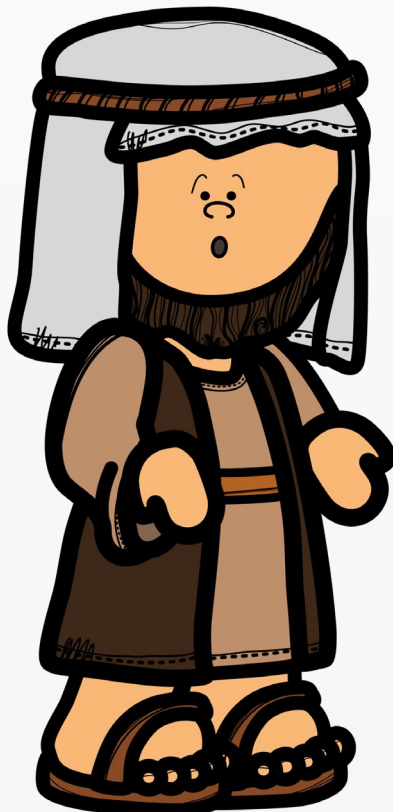

All the people in the world spoke the same language. A group of them decided to build a new city with a tower so high, it would reach heaven!

The people
worked together
and their tower
became taller and
taller. But, God
was not pleased.
He knew they
wanted to try to
reach heaven
without him.

So, God confused their language. They could no longer understand what each other was saying. How could they work together if they couldn't speak to each other?

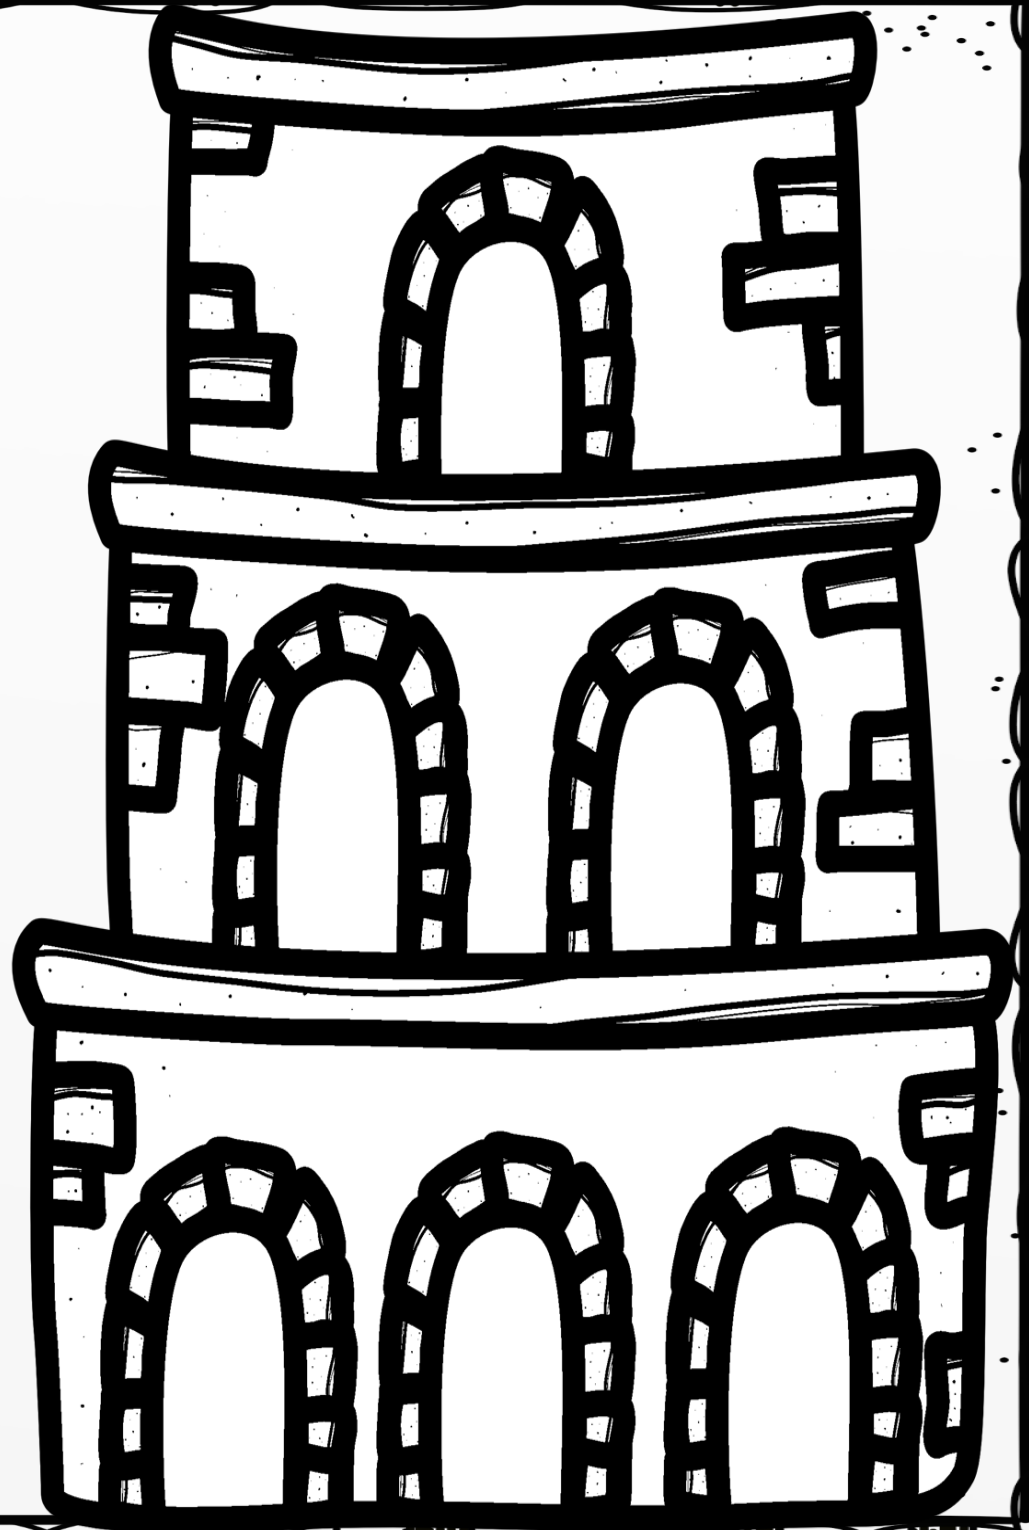

The people all scattered and moved to
new places with
their families.
This is why
we have
so many
languages
all over
the world
today.
