- Later, your students can color these mini books and take them home to share with their family. Encourage the parents of your students to read these together and allow their child to share what they learned that week.

If Using for Distance Learning

- I'm happy to provide the opportunity for you to use this resource as a distance learning tool. Please abide by my terms of use and reach out if you have any questions. If you are going to share the student book with the students in your classroom in a digital platform, please be sure to use the separate PDF of the student book and make sure it's distributed directly to your students (or their parents) and not through a media that supports mass distribution, such as Facebook and Instagram.

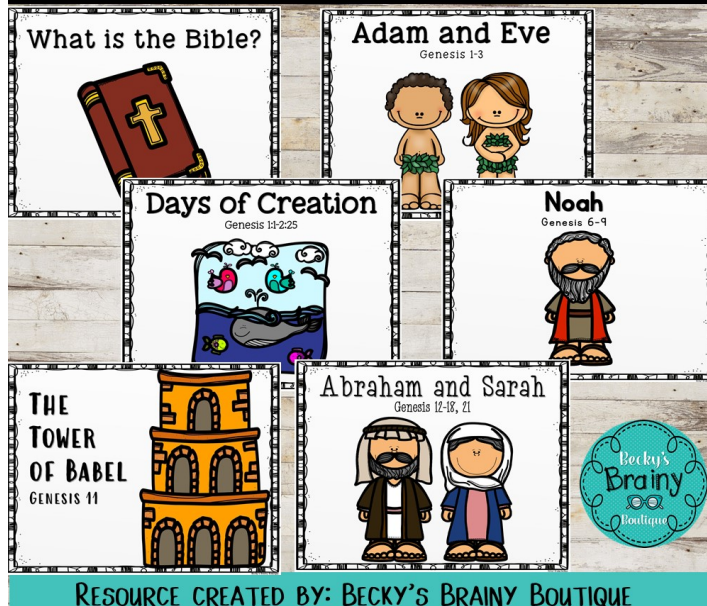

Happy Teaching!

The Wedding Miracle

John 2

Mary, Jesus' mother, had some friends who lived in Cana, a village not far from Nazareth. They invited Mary, Jesus, and his new friends, his disciples, to come to a wedding feast. Many people were there to celebrate the wedding. They ate and drank.

Before the celebration was over, one of the servants realized that they had no more wine to serve to their guests. This was a problem!

Mary heard about the problem and hurried to tell Jesus. She knew her son was able to do amazing things. Jesus went to the servant and told him to gather up six stone jars and fill them with water.

Jesus told the servant to go find the master and offer him some from the jar. When the servant poured from the jar, it wasn't water that came out, it was wine! The master tasted it and was delighted. He spoke to the groom and said, "Usually people serve the best wine first, but you have saved the best for last."

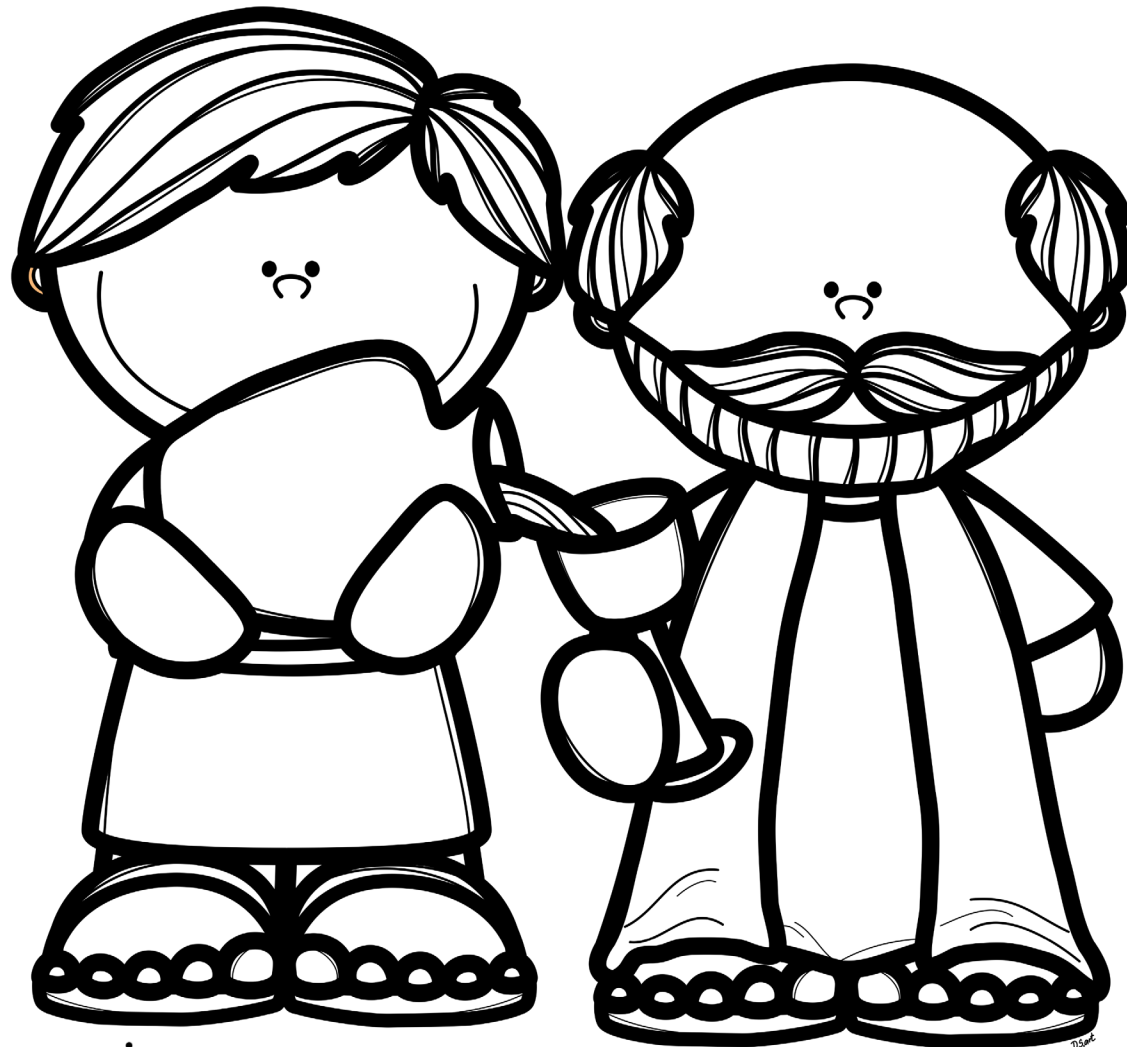

This was the first miracle Jesus performed. He used his power to bless others. The people around him started to realize that Jesus could do things that no one else could do, and they believed in him.
