Teacher's Notes

Inductive Study Method:

There are 3 ingredients to using the inductive method to study the Bible:

- Observation, What does it say?
- 2. Interpretation, What does it mean?
- 3. Application, What does it mean for me?

For each passage, there are 4 activities designed around these three principles:

Observation:

- ~ Read the passage given and mark the key words, writing comments as you read.
- ~ Complete the "Gather the Facts" page.

Interpretation:

~ Answer the questions on the "Think and Explain" page.

Application:

~ Write a paragraph for the "Reflection Time" page about what the passage means for you. Apply it to your own life.

Each activity is designed to take 15-25 minutes

Intro and Culmination Activities:

- ~Choosing symbols for each key word listed on bookmark to use throughout study
- ~Who Am !? (List of titles we give ourselves)

Compare to ending activity:

- ~Who Am I Really? (What God says we are and what He has given us)
- ~Ephesians at a Glance (Finding the theme)
- ~A Letter From Paul (Summarizing)
- ~Mid-Unit and End of Unit Test

Church or Sunday School Use:

Any part of this study can be used independently.

If you are limited on time, I would recommend using the Gather the Facts pages as they are designed to give a full picture of the passages. If there is time to read the passages and mark key words beforehand, students always enjoy being able to draw on the actual text of the Bible and the process of marking enhances the understanding immensely.

Instructions for Using Key Words

Marking the key words in the text is one of the most important parts of this study. It gets students interacting with the Bible and enables them to see at a glance the themes in each passage. Study works best with NIV or NASB versions, but should be fine with other

versions as well.

You may choose to have students mark in their own Bibles.

Colored pencils or colored ballpoint pens work the best, as space is limited in most Bibles and they won't bleed through the page.

Key Words

EPHESIANS

Another option that works well is to print out the passages. Most Bible websites offer printable options, or copy and paste the passage into a Word Doc. This gives you freedom to increase margins, fonts and spacing if desired.

*Please be aware printing passages is allowed by copyright with some limitations.

Instructions for Using Key Words

Continued

The purpose of the key words is to give students a stronger connection with the text through creativity, color and a sensory drawing experience.

Key Word Bookmarks:

Copy the bookmarks and cut. Each student will need one.

Text:

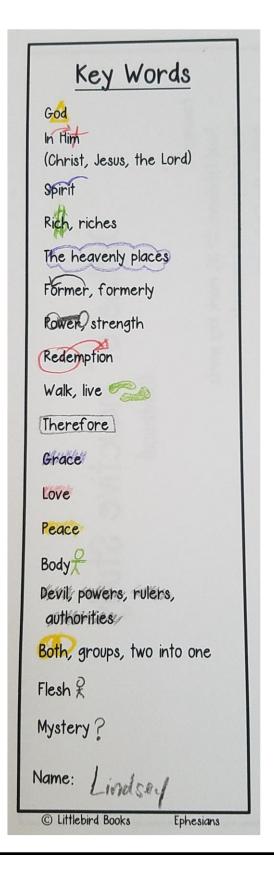

Students will need a Bible they can write in OR you may choose to print the text for each student from a site like Biblegateway.com. (Note: copyright laws allow for printing the text of the Bible, with certain limitations.)

Key Word Symbols:

Students choose what color/symbol to use for each key word. You can let each student choose for themselves for a more personal experience, or you can develop symbols as a group if you want everyone using the same ones.

Reading the Passage:

As students read the text, they can use the bookmark to find and mark the keywords. They can also write comments in the margins on thoughts and observations.

Instructions for Using Gather the Facts

The purpose of the Gather the Facts page is to give students a framework to sort the information in the text through grouping, listing, visualizing, etc.

***If you are limited on time, this page is the "meat" of the study and the one that will give students the greatest chance to work with the entire text.

***All questions for assessments come from the Gather the Facts pages.

Graphic Organizer

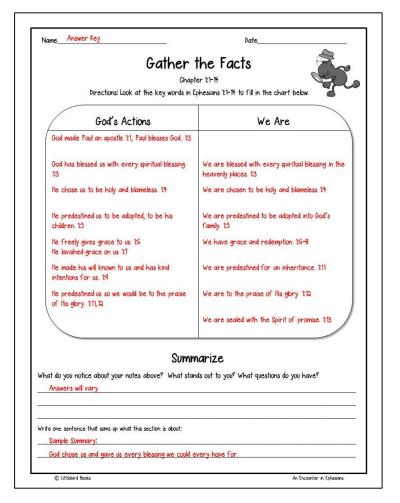

Various graphic organizers are designed for students to work with the content of the passages in order to clearly see what the text says and gain a deeper understanding of to concepts.

You can choose whether to have students list references with their answers.

The graphic organizers are especially helpful for visual learners and reflective learners.

Summarize

This section gives students a chance to think about what they've read as a whole, and come up with a theme for the passage.

Choose to have students complete this section independently, in small groups and/or as a class.

Instructions for Using Think and Explain

The purpose of the Think and Explain page is to get students thinking about what they read, using background knowledge and bringing their own thoughts and opinions to the study.

If you are limited on time, these pages can be used on their own, but do not provide a thorough overview of the passage. The questions are supplemental to the Gather the Facts pages, engaging thinking on a personal level.

Questions

All the questions in the Think and Explain pages are short answer. They are most often inviting students to share what they think about what they have read.

These work well as questions for small groups and discussions.

Answer Key

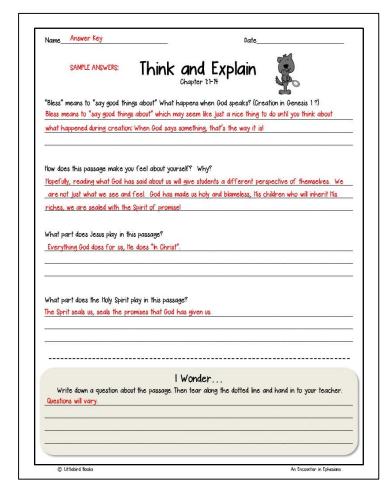

Answers provided are sample answers, but as most of the questions are asking for students thinking and opinion, they are not designed to be right or wrong answers.

I Wonder...

This section gives students a chance to practice questioning skills.

Questions may be things the students are truly wondering, or they may ask a question as if they are encouraging someone else to think about a part of the passage.

If desired, have students write factual questions and turn them into a game!

Sometimes students feel they should not question God or the Bible. However, it is through questions that our understanding deepens and as Michael Card says, "God doesn't give us answers, He gives us Himself."

Instructions for Using Reflection Time

The purpose of the Reflection Time is to give students a chance to apply the passages to their own lives, letting God's word speak to their hearts.

In our classroom, we usually did this page on Friday. After studying the passage over the course of the week, students had time to think about what they were reading. Then, Bible time on Friday was a chance to journal privately about what they were thinking and feeling about what God was saying through this word. I was always pleasantly encouraged to see even the least focused of my students fill up pages with what they were reflecting on in God's Word.

While any of the other pages can be used for small and large groups, I would encourage you to let the students keep the thoughts they write here, private. I told my students I would glance at these pages to make sure they were completed, but the thoughts they wrote here were between themselves and God.

Think and Explain Chapter 1:15-23

Paul says, "For this reason" he prays for the Ephesians. What is the reason? Paul is talking about all the things we were blessed with, that we were included in Christ and marked with the Spirit guaranteeing all the things God promised. What is Paul praying that God would give? Why? (verse 17) Paul is praying that God would give us the Spirit of wisdom and revelation so we could know him better, and that our eyes would be open so we would know the hope, riches and power given to us. What do you think it means that the eyes of our hearts would be enlightened? It means that we would be able to understand in our hearts what God has given us. What three things does Paul want us to know from verses 18-19 Paul wants us to know the hope, the riches and the power we have been given. I Wonder... Write down a question about the passage. SAMPLE ANSWERS:

Think and Explain

Chapter 2:1-10
What do you think it means to be dead in sin and to follow the ways of this world?
When Adam and Eve sinned, their spirits died and all of us are dead in the same way. Because of this, we
can't follow God naturally, we follow the ways of the world which are what our physical bodies want to do,
or what seems right in our physical minds.
What does it mean to be obedient to God? What does He want from us? (think about verse 8-9)
God wants us to receive His gift of grace through faith and stop trying to work to get it.
What do you think it means to be alive with Christ?
When we trust in Jesus, God raises our spirits to life because Jesus defeated death on the cross. Now we
are alive to know and do what God made us to do!
What does this passage say about good works? What does that mean for your life?
Good works are what we were created to do. They are NOT the way we become right with God.

SAMPLE ANSWERS:

Think and Explain Chapter 3:1-13

What is the mystery Paul is referring to? Why do you think he calls it a mystery? The mystery is that the Gentiles are heirs with the Jews to the promises of God. It is called a mystery because God did not reveal it to previous generations. Why do you think it was a big deal that Paul was preaching Christ to the Gentiles? Jews were the descendants of Abraham, the group of people God chose to send His promises through. Now, the promises were through faith and not through birth or race. What is the reason Paul gives in verse 10 that God is revealing the mystery? The reason is that the wisdom of God should be made known to the rulers and authorities in the heavenly realms. In verse 12, what does Paul say we have in Christ? We have the freedom and confidence to approach God. I Wonder... Write down a question about the passage. Questions will vary.

Think and Explain

Describe what people who are living like Paul describes in verses 17–19 might look like today; Students can give examples of any of the following: futility of thinking, darkened in understanding, separated from the life of God because of ignorance due to hardening of their hearts, having lost all sensitivity, given over to sensuality, indulging in every kind of impurity and full of greed. What do you think it means in verse 22 to "put off" your old self? Look back at chapter 2. Putting off your old self means to stop trying to fix ourselves and recognize that our sinful self dies and is buried with Christ when we believe. We don't have to live in darkness and futility any more. What do you think it means in verse 23-24 to "put on" your new self? I think putting on your new self means to trust in the new life God gave us and live in righteousness and holiness. When we do wrong things, we simply recognize it as our old self, thank God that's not who we are anymore, and move forward in doing the things He created us to do. What do you think Paul means in verse 26 when he says, "in your anger do not sin"? Apparently it is not sin to be angry, but I think Paul means it is sin to let our anger hurt the unity of the body of Christ. I Wonder... Write down a question about the passage. Think and Explain

Why do you think the things listed in verses 3 and 4 are not proper or fitting for saints? I think the things listed in verse 3-4 are not "fitting" 1) because they are things people do when they are not trusting God, and 2) because we are to be people who are showing the world what God is like, and he is not foolish or coarse, etc. Why do you think Paul says the people in verse 5 have no inheritance when he calls himself the worst of sinners? I think the people who are immoral, impure, etc, and people who have not trusted in Christ, and therefore are not alive to God. Paul used to live in darkness and futility, even though he was very religious. Now, he is covered by the blood of Jesus and is a new creation! What does verse 9 say the "fruit of the Light" always has? Verse 9 says the fruit of the light has all goodness, righteousness and truth. How do you think we can we obey Paul in verse 17 and understand what the Lord's will is? I think understanding what the Lord's will is means trusting Christ for our salvation and finding and doing the good works we were created to do, living in unity with other believers. 1 Wonder... Think and Explain

Chapter 6:10-24		
Who does Paul tell us we are fighting against in verses 11–12? With whom are we at war?		
Paul tells us we are not at war with flesh and blood, but with the powers of this dark world and the		
spiritual forces of evil in the heavenly realms.		
How do you think we can put on the armor of God, when it is not visible armor?		
I think maybe we can put it on by knowing what is true and believing it completely. Maybe putting on the		
armor of God has something to do with putting on our new selves as well.		
What do you think we are fighting for? Think back to what you have learned so far in Ephesians.		
I think we are fighting to remember who we are, what we have in Christ and for the unity of the body		
of Christ. We are fighting so God's wisdom can be shown to the rulers in the heavenly realms (3:10)		
What do you learn from the last 4 verses in Ephesians (verses 21–24)		
There was a guy named Tychicus who Paul was sending to tell them more about how Paul was doing and		
encourage them. Paul wants peace, love and grace for the Ephesian believers (and all believers!).
