Teacher's Notes

Inductive Study Method:

There are 3 ingredients to using the inductive method to study the Bible:

- Observation, What does it say?
- 2. Interpretation, What does it mean?
- 3. Application, What does it mean for me?

For each passage, there are 4 activities designed around these three principles: Observation:

- ~ Read the passage given and mark the key words, writing comments as you read.*
- ~ Complete the "Gather the Facts" page.

Interpretation:

~ Answer the questions on the "Think and Explain" page.

Application:

~ Write a paragraph for the "Reflection Time" page about what the passage means for you. Apply it to your own life.

Each activity is designed to take 15-25 minutes

Intro and Culmination Activities:

- ~Choosing symbols for each key word listed on bookmark to use throughout study
- ~Pre-reading writing prompt
- ~Post-reading writing prompt
- ~Book at a Glance (Finding the theme)
- ~A Letter From Paul (Summarizing)
- ~Mid-Unit and End of Unit Test

Church or Sunday School Use:

Any part of this study can be used independently.

If you are limited on time, I would recommend using the Gather the Facts pages as they are designed to give a full picture of the passages. If there is time to read the passages and mark key words beforehand, students always enjoy being able to draw on the actual text of the Bible and the process of marking enhances the understanding immensely.

^{*}Passages and verses quoted are in NIV unless otherwise noted.

Overview for Church Use:

This is a suggested teaching plan for use in Sunday school or youth group. Recommended time is about 45 minutes, 15 minutes for each; small groups, independent work and large group. Use extra time for worship and prayer.

Instructions for Using Key Words

Marking the key words in the text is one of the most important parts of this study. It gets students interacting with the Bible and enables them to see at a glance the themes in each passage. Study works best with NIV, ESV and NASB versions, but should be fine with other

Key Words

Christ lesus the Lord

versions as well.

Option 1: You may choose to have students mark in their own Bibles.

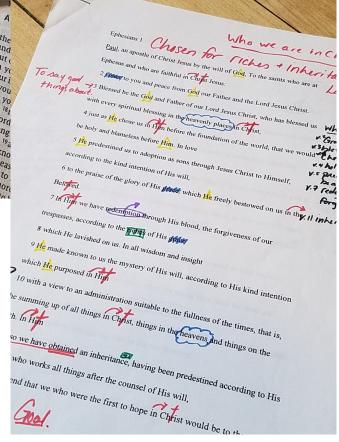

Colored pencils or colored ballpoint pens work the best, as space is limited in most Bibles and they won't bleed through the page.

EPHESIANS

Option 2*: Another option that works well is to print out the passages. Most Bible websites offer printable options, or copy and paste the passage into a Word Doc. This gives you freedom to increase margins, fonts and spacing if desired.

*Please be aware printing passages is allowed by copyright with some limitations.

Instructions for Using Key Words

Continued

The purpose of the key words is to give students a stronger connection with the text through creativity, color and a sensory drawing experience.

Key Word Bookmarks:

Copy the bookmarks and cut. Each student will need one.

Text:

Students will need a Bible they can write in OR you may choose to print the text for each student from a site like Biblegateway.com. (Note: copyright laws allow for printing the text of the Bible, with certain limitations.)

Key Word Symbols:

Students choose what color/symbol to use for each key word. You can let each student choose for themselves for a more personal experience, or you can develop symbols as a group if you want everyone using the same ones.

Reading the Passage:

As students read the text, they can use the bookmark to find and mark the keywords. They can also write comments in the margins on thoughts and observations.

Instructions for Using Gather the Facts

The purpose of the Gather the Facts page is to give students a framework to sort the information in the text through grouping, listing, visualizing, etc.

***If you are limited on time, this page is the "meat" of the study and the one that will give students the greatest chance to work with the entire text.

***All questions for assessments come from the Gather the Facts pages.

Graphic Organizer

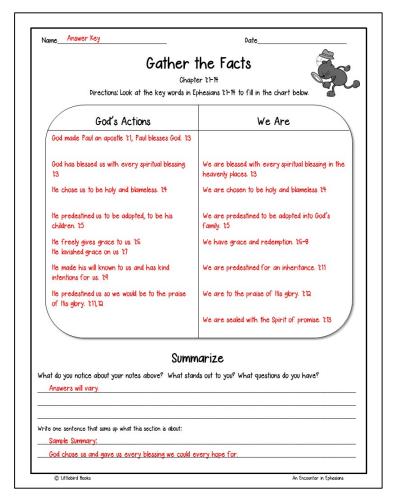

Various graphic organizers are designed for students to work with the content of the passages in order to clearly see what the text says and gain a deeper understanding of to concepts.

You can choose whether to have students list references with their answers.

The graphic organizers are especially helpful for visual learners and reflective learners.

Summarize

This section gives students a chance to think about what they've read as a whole, and come up with a theme for the passage.

Choose to have students complete this section independently, in small groups and/or as a class.

Instructions for Using Think and Explain

The purpose of the Think and Explain page is to get students thinking about what they read, using background knowledge and bringing their own thoughts and opinions to the study.

If you are limited on time, these pages can be used on their own, but do not provide a thorough overview of the passage. The questions are supplemental to the Gather the Facts pages, engaging thinking on a personal level.

Questions

All the questions in the Think and Explain pages are short answer. They are most often inviting students to share what they think about what they have read.

These work well as questions for small groups and discussions.

Answer Key

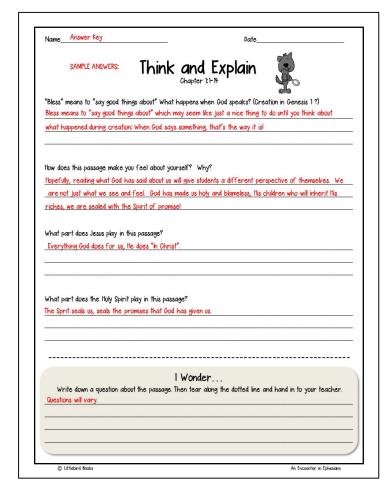

Answers provided are sample answers.
As most of the questions are asking for student's thinking and opinion, they are not designed to be right or wrong answers.

I Wonder...

This section gives students a chance to practice questioning skills.

Questions may be things the students are truly wondering, or they may ask a question as if they are encouraging someone else to think about a part of the passage.

If desired, have students write factual questions and turn them into a game!

Sometimes students feel they should not question God or the Bible. However, it is through questions that our understanding deepens and as Michael Card says, "God doesn't give us answers, He gives us Himself."

Instructions for Using Reflection Time

The purpose of the Reflection Time is to give students a chance to apply the passages to their own lives, letting God's word speak to their hearts.

In our classroom, we usually did this page on Friday. After studying the passage over the course of the week, students had time to think about what they were reading. Then, Bible time on Friday was a chance to journal privately about what they were thinking and feeling about what God was saying through His word. I was always pleasantly encouraged to see even the least focused of my students fill up pages with what they were reflecting on in God's Word.

While any of the other pages can be used for small and large groups, I would encourage you to let the students keep the thoughts they write here, private. I told my students I would glance at these pages to make sure they were completed, but the thoughts they wrote here were between themselves and God.

Think and Explain

Galatians was first written as a letter. Who was it from? Who was it to? Galatians was written by Paul, the apostle. It is also from all the brothers with him. We are not told who those are. The letter is written to all the churches in Galatia. 1:1-2 What have we been given? By who? Why was it given? (verses 3-4) We have been given grace and peace from God and Jesus. Christ Jesus also gave himself for our sins (by God's will) to rescue us from evil. What is the Galatians problem? Why do you think it is such a big deal? The Galatians problem is that they are turning to a different gospel, which really isn't the gospel. I think this is a big deal because it is only through faith in Christ alone that we are saved and any other teaching is not the truth. Why is it important that Paul is only wanting approval from God, not men? If Paul wanted approval from men, he may change what he said or how he said it in order to avoid offending people. SAMPLE ANSWERS: Think and Explain Chapter 2:11-21
What do you know about Jews and Gentiles?
Jews were the descendants of Abraham, the group of people God chose to send His promises through.
Gentiles were everyone else. God gave the Jews laws to follow such as the ten commandments,
sacrificing offerings for sin, etc.
Why do you think it was a big deal that Peter ate with the Gentiles except when certain people were there?
Peter was a Jew and the law said Jews could not eat certain foods that the Gentiles ate. Because Jesus
fulfilled the law, Peter knew he was free to eat with the Gentiles, but he was afraid of this group of
Jews. Because of this, people were being led to believe that they really did have to follow the law to be
saved.
What does it mean that we are justified by faith and not by the law?
Nothing we can do to keep the law will make us righteous or innocent. We sin and are sinners unless we
have faith in Jesus and his payment for our sin on the cross. We are justified through our faith in Jesus
and not by anything we try to do.
Explain verse 19 in your own words: For through the law I died to the law so that I might live for God. I think it means that by trying and trying to keep the law, I found out that I could not keep it, and the law would never make me justified. Through trying though, I found God and can now live in Him.

SAMPLE ANSWERS:

Think and Explain Chapter 3:1-14

What is Paul's tone as he writes to the Galatians? Why do you think he is using this tone?

Paul sounds pretty angry. I think he is upset because what they are doing, saying and believing is such a

big deal. If they keep following the law and teaching others to follow the law, many people will miss out on
the true gospel and will live and die under the curse of the law.
Abraham believed God and it was credited to him as righteousness (verse 6). Explain what you think this means
I think it means that God credited, or simply gave, Abraham righteousness because he believed what God
said. He did not become righteous by anything he did or did not do.
What was the promise that was given to Abraham? (Genesis 12:1-7)
God promised Abraham "I will make you into a great nation, and I will bless you; I will make your name
great, and you will be a blessing. I will bless those who bless you, and whoever curses you I will curse; and all
peoples on earth will be blessed through you." He also promised him land for his descendants.
What do you think it means that those who live by the law are under a curse?
I think it means that the law cannot make us righteous, it's job is only to show us that we are not
righteous. If we live by the law, we never become more righteous, we just se more and more that we
are lawbreakers.

Describe what the law was supposed to do. (verse 24) The law was put in place to lead us to Christ. It locked us up until Christ came so we might be justified by faith. How do we receive the promise given to Abraham and his seed? (verse 22) We receive the promise through faith in Jesus Christ. If the law had never been given, what do you think would be different? Without the law, we would not know we were sinners, because we would have never broken the law. The Jews had the law that God gave them such as the ten commandments, but each of us also has an internal law or set of morals and even those we cannot keep perfectly. Which one is greater; the law or the promise? How do you know? The promise is greater. 1) It was given before the law, 2) the law cannot do away with the promise, but when the promise came the law was no longer needed. I Wonder... Why do you think Paul tells them there is no longer any Jew, Greek, slave, free, male or female?			
I think in Christ we have all been given the highest status and that is the only thing that matters. No human status or label matters when it comes down to what we are inheriting from God.			
How is a child like a slave in Paul's example? (verse 1-3)			
Children, especially in Paul's time, did not actually own anything until they became adults. They were cared			
for by their parents and guardians, but did not have full rights yet.			
Read chapter 4:3 and chapter 3:23-25 again. When were we children? What were we slaves to?			
I think all humans were children until Jesus came. Before He came we were slaves to the law. Now, having			
faith in Him, we receive all the inheritance that was promised to us.			
What do you think it means that God gave us the Spirit of His Son to cry, "Abba, Father." I think maybe it means that we don't just get an inheritance of "stuff" but we get a close relationship with God as our father as well.

Think and Explain

Why is Paul afraid he may have labored in vain? Explain your thinking. I think Paul's labor was preaching the gospel to the Galatians and he is afraid the preaching may be for no purpose because they are leaving the gospel to follow the law. How did Paul's relationship start out with the Galatians? Paul came to the Galatians because he was sick. They welcomed him and he preached the gospel to them. They apparently loved him because he says they would have given him their own eyes. How do you think Paul feels about the Galatians now? Paul says he is perplexed about the Galatians (4:20). He also seems very worried about and frustrated with them. What people are trying to win the Galatians over? Why? (Chapter 2:12, Chapter 4:17) Paul talks about a group of people who came from James called the "circumcision group" who made even Peter was afraid. In chapter 4 he talks about "those people" trying to alienate, or shut the Galatians out so the Galatians would join their group and be zealous for them. I Wonder... Think and Explain Chapter 4:21-31

Tell what you know about the story of Sarah and Hagar and their sons:

Sarah was the wife of Abraham and God promised to make them into a great nation, but they could not have
children. After years of waiting, Sarah told Abraham to have a child with her servant, Hagar. This son was
Ishmael. When Abraham was 100 and Sarah was 90, Sarah did have a son and they named him Isaac.
Why do you think Paul tells the story of Sarah and Hagar?
I think Paul tells this story because the Jews were very proud of being Abraham's children, and he is
showing them how Abraham's children have been children of promise, not law, from the very beginning.
·
Why do you think Hagan namonante Mount Cinai?
Why do you think Hagar represents Mount Sinai?
I think Hagar stands for Mount Sinai because that is where God gave the law to the Jews because of their
lack of faith. Ishmael was born to Hagar as a slave because of Sarah and Abraham's lack of faith.
Why does Paul say we are children of the free woman? (verse 31)
We are children of the free woman because we are adopted into God's family through Jesus who was an
earthly descendant of Isaac, Sarah's son.

Think and Explain

Chapter 5:1-15
What do you think Paul means when he says for freedom we are set free?
I think it means that when Jesus died on the cross, he set us free from our sin and he wants us to live in
that freedom, not turn back to trying to take care of our sin on our own (with the law).
How do you think what Paul says about circumcision in verse 3 applies today? Explain your thinking:
The Jews saw circumcision as something they had to do to be God's people. Today lots of people have
their babies circumcised for health reasons. I think the act of circumcision was not the point, because Paul
also says in verse 6 that it has no value either way. I think Paul is saying we should not do anything to try
to be God's people other than have faith in Christ.
Explain what you think Paul means when he says the only thing that counts is faith expressing itself through
love: I think nothing we do can take care of our sin, only Christ can do that. But when we love others
because we trust Him, those are the things we do that count with God.
Why do you think Paul tells the Galatians not to use their freedom to indulge the sinful nature, or flesh? Because we are free from trying to fix ourselves, we could use our freedom to do whatever we wanted. But God wants us to use our freedom to love others.

Think and Explain

What do you think it means to live by the Spirit? (verse 16)

I am not exactly sure, but I think it means to live in faith that even though I might see myself co	ntinue to		
sin, or fall short, I keep my eyes on Jesus and believe that he is changing me and that his death	and		
resurrection redeemed me completely.			

What usually happens when you see sinful or fleshly actions in your own life? What would Paul say you should do?

<u>Usually I see some bad behavior in myself and I try to do something to fix myself, like read a book about</u>

it, go on a diet, or make a new year's resolution to change. I think Paul would say to live by the Spirit,

meaning that I don't try to fix myself, but I look to Jesus to be justified through faith in him.

What happens when you see the fruit of the Spirit in your life?

When I see the fruit of the Spirit in my life, sometimes I forget it is from the Spirit and I congratulate myself on my own efforts. Sometimes I realize that it is the Spirit changing me and am overwhelmed with gratitude and joy.

Why do you think Paul calls it the "fruit" of the Spirit?

Think and Explain

Why do you think Paul ends Galatians with a list of instructions? I think he is telling the Galatians how to keep themselves from being torn away from the true gospel again, and they have to look out for one another to do that. What do you think Paul means when he says to carry one another's burdens and so fulfil the law of Christ? I think he is talking about one way for their faith to work itself out through love (chapter 5:6) and for them to keep in step with the Spirit (chapter 5:25). I think he is saying that the things someone else is struggling with can be important to us too, and we can help them get through. What does Paul want to boast about? (verse 14) Paul wants to only boast about the cross of Christ. What does Paul mean when he says what counts is a new creation? I think Paul means that when we believe, we become new creations in Christ, and nothing we do or don't do can add to that. I Wonder... Write down a question about the passage. Questions will vary.
